Hi Rosanne. I will be in my office in the Village of Spring Valley at the MOSES offices at S233 McKay Ave on Tuesday. I will arrange for it to be available at the library.

I did submit a letter to Paul at the paper. I have attached it.

Thank you Rosanne. Cheers.

Tom Manley.

Hi Tom,

I am following-up on our call last week regarding providing the permit application binder at a location in Gilman Township. Do you want me to meet with you on Tuesday to provide the binder, or do you want me to leave this at the library? Also, I wanted to see if you submitted a letter to the editor this week. We decided to hold on our response letter for another week. If you did submit a letter, would you mind sharing it with me? We want to be sure we are addressing all concerns in our response.

Kind regards,
