**Subject:** Re: Follow up re: CUP Process

Tom,

It occurred to us that using the Gilman Town Hall might be a location for the October 29 meeting— less noisy/busy than Team Oil Subway. Assume that you'd be able to secure a key easily enough. Keep us posted as to your preferences. Thanks.

**Subject:** Follow up re: CUP Process

Tom,

Thanks for returning my call today and for taking my call last Friday. Next steps:

- Andrew Hamilton and I will meet you in Spring Valley, WI on Tuesday, October 29 at 2:00 PM to discuss the Town of Gilman Plan Commission process for reviewing and making recommendations to the Gilman Town Board for Pierce County conditional use permit applications. Unless you have another suggestion, I suggest we meet at the Team Oil Subway on State Route 29 on the west side of Spring Valley.
  - o Current Plan Commission members: Tom Manley (chair), Joshua Turner, Steve Price, and Phil Verges (Board liaison).
  - o Who is the fifth member? Keith \_\_\_\_\_?
